Apparently, ibabalik ng GMA ang Sunday Sine Klasika this Sunday at 6:00 a.m. Which begs the question: Ano kaya ang mangyayari sa Family TV Mass?

In addition to that, yung vacant slot ng Marian at Regine's Himig ng Pasko ay magiging GMA Blockbusters for the time being. In short, hindi magiging maganda ang pasimula ng GMA sa Bagong Taon.

- **Pio Decimus Secundus** ano man iyan? kung kelan ibinalik ang TV Mass nila, ska pa ipupullout sa sched... actually, ung Family TV Mass ay produced ng SVD na same sa katapat na TV Mass sa kapamilya... i wish sana kung maexpire ang contract ng Misa Nazareno sa 5, dun na sa kapuso indeed recently nagplug si Cardinal Tagle about sa Isang Tugon project para sa rehabilitation ng Pontificio Colegio Filipino sa Roma, na officially sponsored ang GMA

Common ito palagi kapag sumasakay tayo ng dyip:

Ingat po tayo sa mga taong gumagawa ng religious gimmick. Marami ang naglilipanang mga kabataan na humihingi ng donasyon sa mga pampasahero ng dyip para sa kanilang grupong kuno. Laganap ito tuwing Holiday season, at kung minsan pag ordinaryong mga araw. So beware of these deceptive acts.

Natawa naman ako sa isang post na shinare ni Brian Pena Cruz tungkol sa isang mambabatas na gusto daw kasuhan ang #DongYan dahil daw sa sobra-sobra ang ginastos sa kasal nila!!!

Yun daw wedding gown ni Marian, milyon daw ang halaga... Yung Ducati ni Dingdong, milyon din ang halaga, pati reception daw, milyon din ang halaga!!!

May batas daw na umiiral dahil daw napapanahon kasi marami sa mga kababayan natin e naghihirap! Pero may karapatan pa rin sina Dong at Yan kasi minsan lang sa buhay ang maikasal at gusto ay gawing makasaysayan at espesyal!!! Ang ginastos nila, may buwis, at ang buwis na yun, para din sa mga mamamayan!!!

Ganun ba pananaw ng mambabatas na ito? Sana pati yung mga dating ikinasal na bongga ang gastos dinamay mo na!!! Wow, mukhang pasikat itong mambabatas na ito, hehehe!!!

iPods are for casual listeners while Walkmans are for serious audiophiles kaya normal lang na mas mahal ang Walkman kahit pa man Android ang ginagamit nila due to the dedicated audio chipsets and materials na ginamit. Pang-matagalang gamit yan kahit maluma lang yung Android OS na gagamitin, ayos pa din.

Nagretire na ang tinaguriang #MightyMouse ng PBA, si Jimmy Alapag, at nakatakda na syang gawing assistant coach ng #GilasPilipinas at team manager ng #TNTTropangTexters!

Una syang napansin bilang isa sa mga reserves ng dating training pool ng Philippine Basketball Team noong 2002 at naging 10th Overall draft pick ng Talk N Text noong 2003 PBA Season kung saan naging Rookie of The Year sya that year! Marami na syang naging award sa PBA kabilang na ang pagiging MVP nito noong 2009-2010 Season. Naging mahalaga ang papel nito bilang isa sa mga pinakaimportanteng manlalaro ng Gilas Pilipinas na muling nakapanalo sa FIBA World Cup nitong 2014 na nagwakas sa higit 4 na dekadang tagtuyot sa World Stage! *smile emoticon*napangasawa nya ang aktres na si LJ Moreno.

The Cavite Mutiny, an uprising of military personnel at the Spanish arsenal in Cavite, took place. This event subsequently led to the execution of the Filipino priests Mariano Gomez, Jose Burgos and Jacinto Zamora, otherwise known as GOMBURZA.

On This Day

#onthisdayPH - On January 20, 1872, the Cavite Mutiny, an uprising of military personnel at the Spanish arsenal in Cavite, took place. This event subsequently led to the execution of the Filipino priests Mariano Gomez, Jose Burgos and Jacinto Zamora, otherwise known as GOMBURZA.

The unsuccessful mutiny was participated in by around 200 soldiers and laborers of the Engineering and Artillery Corps who rose up after their salaries were reduced upon the order of Governor-General Rafael de Izquierdo by subjecting them to personal taxes, from which they were previously exempt.

The taxes required them to pay a monetary sum as well as to perform forced labor or what they called, "polo y servicio."

The uprising was used by the Spanish colonial government to implicate and sentence to death by garrote Fathers Mariano Gómez, José Burgos and Jacinto Zamora on February 17, 1872 in Bagumbayan, and several other Filipino leaders.

These executions, particularly those of the GOMBURZA, were to have a significant effect on people because of the shadowy nature of the trials. Dr. Jose Rizal dedicated his work, El Filibusterismo, to the executed priests.

Many scholars believe that the Cavite Mutiny of 1872 was the beginning of Filipino nationalism which eventually led to the 1896 Philippine Revolution.

PHILIPPINE FACTS AND FIGURES | "FILIPINO SOLDIER: GREATEST WARRIORS IN THE WORLD"

Winston Churchill said in WW2 that the Filipino soldier is the greatest warriors in the world. For it was they who resisted the Japanese invasion for more than 50 days with no hope of victory. These men only surrendered because they were ordered to. Filipinos has a long history of resisting invaders but with little success. They deserve the title for they fought all occupiers the only reason why they failed was lack of unity. The Philippine Army can beet any army if they only manage to have the same weapons and training that of more advanced nations.

  Anjho Ezekiel Reyes Katangahan yan, kahit i-ban pa yan, gagawa at gagawa pa rin ng paraan ang mga bata para dyan, mas maganda kung YUNG MGA ESTUDYANTE mismo ang dapat na i-ban sa mga computer shops every monday-fridays not just only during class hours at ang mga nasabingestablisymento mismo dapat malayo yan sa mga eskwelahan. Kasalanan naman ng mga bata yan kung bakit na-ban ang DoTA dahil sila mismo ang gumagawa ng kalokohan habang naglalaro kaya nalalagay ang napapasama ang kinahihiligan nila.
  with or without that game(or any other game na magiging alternative sa kanila,) marami pa ring sources ng violence at cutting classes ang maaring kahantungan ng bata. Yung laro lang ang dahilan? eh ano pa yung ibang factors? ignorance nga naman oh.

  (hindi sa pumapanig ako sa bagay na yan, sinasabi ko lang kung ano sana ang mas magandang gawin atbp.& DoTA is just a game, , yung tao lang mismo ang gumagawa ng ikakapahamak nya, hindi ang isang bagay)

  i'll gonna leave this comment aside.

  Christian Añasco Hindi mangyayari yan. Ang gagawin dyan edi maglalaro sila sa kabilang barangay o sa sarili nilang mga PC o Laptop. Hindi ang mga computer shop ang dapat sisihin kundi ang mga estudyante mismo. Hindi masama maglaro ng DOTA. Nagiging masama yan dahil hindi nila makontrol ang sarili nila. Walang disiplina ika nga. Hindi marunong tumigil para makapag-aral. So the ban shouldnt happen. Ang dapat gawin is STRICT ENFORCEMENT of the law that bans students during class hours and limit the time that students are allowed in the internet cafe's

  January 25 at 8:05pm · Edited · Like · 1

  Henry Rodriguez para sa akin, pabor din ako sa ban ng mga estudyante sa comshops tuwing class hours. pero nakita ko pa rin ang mga 'menor de edad' na nakipag-laro o tambay sa comshop sa oras ng 'curfew' (kahit ipinagbawal ng barangay ordinance na 'bawal ang menor de edad sa computer shops simula 10pm'). #InMyOpinion

Proposed House Bill 4218 - OPM Development Act of 2014
Oppose or Support?

As a Filipino musician or anyone involved in the Filipino music scene, we want to hear your voice on this. It involves our industry and ourselves as this is a law applicable to all Filipino citizen. In a brief overview, we has been participating actively in different forums, including discussion groups with PARI, Filscap, IPO, in Taguig, and the Philippine Music Summit in Manila. We are also involved in the effort to revive the Philippine Musicians Guild two years ago. Therefore we would like to present the HB 4218 with backgrounder on what is going on around to give us a picture on what choices do we have.

HB 4218 is authored by Ifugao Rep. Teddy Baguilat and is being supported by Filscap Chairman Noel Cabangon, OPM President Ogie Alcasid and AMP President Jong Cuenco (at least as of this writing). The bill focuses on three major points - (1) Pursuant of RA 7356 which is the creation of the National Committee on Music (NCM) under the National Commission for Culture and the Arts (NCCA); (2) Pursuant of EO 225 of 1987 which requires broadcast organizations to play at least 4 songs per hour; and (3) the putting into law of the formerly Memorandum of Agreement between Bureau of Immigration, Organisasyon ng Pilipinong Mangaawit (OPM), Asosasyon ng Musikong Pilipino (AMP) and Filscap on Equity fees required to foreigners performing in the Philippines.

The proposed bill suggests that NCM will be composed of only one accredited guild per category. It also stated that the NCM shall accredit only one guild per category. And further it states that the Executive Council of this NCM shall be representative of the accredited guilds and chosen by the Commission (NCCA). This shows that the NCM is at the mercy of the selection by the NCCA. And the NCM will control everything after.

Let us trace back on what is happening on the "music hierarchy" in the past few years. OPM, PARI, AMP and Filscap launched a Pinoy Music Summit last March 2014. This gathering according to them are composed of "stakeholders" in the music industry. The independent community, the actual performing musicians in bars here and abroad, and a lot more in between are not included as they are not "stakeholders". A few independent artists where present, I myself was there but the agenda that address the independent Filipino music, the performing musicians and a lot more was not included in the summit. It was as though that they spell out the whole music industry and we are actually only components in the sideline. To compare real facts from fiction, OPM has a limited active membership of 200. AMP has around 80. Filscap has too many inactive members that they cannot even call a quorum for an election. How can this compare to thousands of members from the Independent comunity. And more members from other organizations of music creators, bands and various music organizations and cooperatives in the provinces. We are still not counting the unorganized Filipino musicians all over the world. If the NCCA as shown on its support on organizing the Pinoy Music Summit will believe in OPM, AMP and Filscap, it is not far away that they will be the sole representatives that will constitute this NCM.

If it was a group that would represent the aspirations of the musicians, it should have been the Philippines Musicians Guild that should be in power right now. If you google this group, it has a long track record of struggles and victories in upholding the musicians rights and welfare since 1950s until 1980s. It was only in the early 90s when the Guild dwindled out as its members are now too old to pursue its struggles. This was the time when AMP was created, but sadly didnt took the shoe of the Guild. In over a decade they were in position they never took actions to do something about the music scene. Instead they cried over spilled milk when things went to worse. What we need right now is a thru musicians guild that will stand in front of the musicians and take action in matters affecting their plight. Same goes with the songwriters, the singers and the independent publishers.

HB 4218 did not define how to further implement EO 225 of 1987, instead it suggested on Section 9 that NCM will device a system to grant Tax Credits to Broadcast Organizations. If this is supposed to be implementing why do we need to put tax credits to those who will abide by this law. The provision on section 9 can be translated that all

broadcast organizations will receive tax credits. This point should be addressed in a manner that those who will not abide by this law shall be penalized. And if the NCM will be composed of the predominant organizations where major publisher has more control, this can be viewed as making the government or the people's money pay for the payola instead of the publisher in the guise of this Tax Credits in accordance with this act.

On the matter of playing 4 songs per hour on the radio, we believe the problem here is enforcement as it is already in act. What we should propose would be something more substantial. We know this issue as we are the ones who have constantly been refused by most mainstream radios over these years. This has to be addressed as well. It would be more powerful and effective if this would include other media such as TV, and instore radios such as those for public transport and public places.

The equity fee is a concept which involves employment and unionism. It is not an issue that has to be carried on as a law and implemented by such organization as the NCCA. It is not an issue of arts and culture as it can happen to any other profession. In this proposed bill, it is stated that the "NCM will determine the amount of and collected equity fees". How can a committee under the purpose of promoting Filipino arts and culture be involved in issues on labor and immigration. The equity fee which is originally a memorandum of agreement between specific organizations is now being proposed into a law. Since this was a memorandum of agreement between organizations it is a concern of its members. And it would be obvious that its members should benefit from this act. However, since this is now being proposed into a law, it should be a matter of concern of every Filipino citizen. And the same Filipino citizen should have benefit out of it. In section 8 of the proposed bill, it states that "the equity fee shall be constituted into a Fund to be exclusively used for the benefit of local performers who are members of any of the performers' guild duly-accredited by the NCM." Isn't this disturbing?

It has also been feared that since this is now becoming a law, it may affect the plight of our OFW musicians as the host country may retaliate on this law and impose stricter rules of such. If we all remember what happened with the plight of our OFW to Japan, since we started implementing confusing laws for employment to Japan, the Japanese government retaliated with disgust and loss of interest instead.

In other countries, it is the cultural workers unions that are the one imposing and collecting equity fees from foreigners. They are the one protecting the rights of the workers in the workplace and beyond. This makes the equity valid since it is the union that organizes the cultural workers, make sure they have jobs and make sure that their rights are protected and wages are fair. It will be the Union's responsibility on to where the collected fees go. It has nothing to do with arts and culture and promoting or protecting their works of art. It should not be the responsibility of the NCM or of the NCCA in general.

Given these points raised regarding HB 4218, it is obvious that as a Filipino artist we should oppose this bill in its entirety. We want you to voice out your opposition to this bill. We have already made arrangement to be heard on the next congress hearing of this bill. But we still need to hear your voice. We need to show them the real numbers. Let them know what the whole music community thinks. That the musicians are smart enough to understand a bad fish from a good one. We are encouraging you to write a position paper regarding your stand on this issue, either as individual, as a band, as an artist organization, tribe, cooperative, center, etc. We will make sure that your voices will be on record and will be heard on the venues that will involve this proposed bill.

In response to opposing the HB 2418, we must draft a new and more comprehensive bill that will truly address the problems of the music community involving all areas in the music industry. There is currently a bill being drafted, organized by big musicians organizations from all over the country. However to make this successful, we must gather all suggestions to make the draft a more comprehensive one. You can send your suggestions thru proper channels and we make sure it is included in this effort.

Among the points that has been proposed by our group are as follows:
- Redefine and strengthen the right of musicians to freely market their own music (this include the abolition of the OMB that suppresses the independent artists in producing and selling their own CDs)
- Implement a more comprehensive and more effective presence of Filipino music in all media (radio, TV, in store music, public places, etc.)
- Provide government sponsored free music education programs that will go down up to the barangay level
- Review and create Tax implementation program of artists and policies on issuance of receipts
- Review and implement a more comprehensive program on OFW issues (abolish POEA accreditation, benefits, protection, loans and assistance).
- Review and create Booking policies and provide workshops and assistance on standard contracts and deals as well as legal assistance
- Provide a program for medical, health and retirement benefits for artists.
- Provide free use of recording and concert production equipments for the purpose of promoting and dissemination of Filipino music especially for the new and independent artists.
- Provide access for musicians to cheaper instruments, accessories and gadgets
- Standardization of talent fees
- Review the Law and implementation on taxation of Concerts or Production shows of foreign performers which is currently being given to local officials and being subjected to corruption.
- Provide tax incentives to production group who will produce shows and concerts of Filipino artists, especially to those who focus on a more popular venues. (this is an alternative to equity issue)

  John Rodrigo Diaz Valdez There are new dramas on KG block, but the ratings are low. Yung mga reruns, ABS put that from 9-10:30am, which is every mornings, not on KG block. KG is the post-Showtime afternoon block. Nagkandaleche na ang afternoon programs ng ABS dahil sa dominance ng GMA sa daytime. Same case yan sa primetime na kung saan strong ang ABS, habang puro low ratings ang inabot ng GMA Telebabad (excluding 24 Oras).

Guess who's back... Back again!!! *smile emoticon*

Una sa lahat, maybe I was given a break here in this group, one week... Pero mas minabuti kong lubusin yung break na yun para mabawasan ang mga stressful happenings dito and to give myself a rest to concentrate on my sidelines... Salamat sa marami na nasa grupong ito at di nyo pa rin ako iniwan kahit nagpahinga muna ako.. At ngayong nagbalik na ako, may favor lang ako...

Since NOSTALGIC sng grupong ito, bawasan natin ang mga current issues dito like promoting something mula sa bet nyong station at something na makapagiignite ng network war, ganun ang nangyari sa amin ng isang member dito kaya pansamantala nyo akong di nakita dito...

Well, ngayong nandito na ako ulit, aasahan ko na wala na akong makikitang comnents or posts na maaring ikasisira ng grupo, saka tandaan, ang sobra ay nakakasama!!! *wink emoticon*

Thanks, Gab for having me back here! *smile emoticon*

THROWBACK: Are you “Japorms?”

Coca-Cola Philippines talked about the value of keeping it real and practical fashion sense in one of the brand's most memorable TV spots made in early 2000 by McCann Erickson.

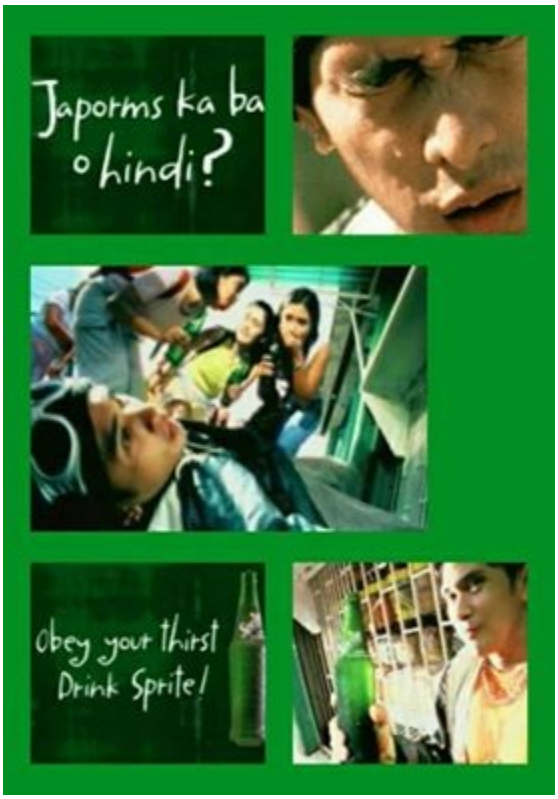

Wearing a thick hoodie, the star of this 30-seconder for Sprite struggles to keep his allegedly cool couture under the relentless afternoon sun to impress the ladies. But it was in vain, passing out, sweating like a pig and embarrassing himself while spread out on the pavement.

The humorous "Magpakatotoo ka" TVC reminds that to be "Japorms," a colloquial term meaning "stylish," one just needs to keep true to yourself – a message that spoke to a lot of Filipino teens during that time. In a brief, McCann Erickson said:

"In the year 2000, the Philippines was a country in transition, to a new millennium which was initially threatened by the Y2K bug, to a new government with the impeachment of Estrada and hope for peace with the war in Mindanao."

It was year which called for the empowerment of the youth, to be an agent of change by speaking the truth. Sprite's "Magpakatotoo Ka" campaign brought out this spirit in the youth during a time which needed it most and this eventually became their battlecry to be true to themselves and speak up their minds no matter what it takes."

Eat, Bulaga!
11:30 a.m. - 1:00 p.m.
Monday – Saturday
Channel 9

For a show with a title that suggests surprises, *Eat, Bulaga!* fails to live up to its name. But just the same, it should be credited for the fun its hosts generate.

If anything, the show serves as a showcase for Tito, Vic and Joey's talents as comedians. And never mind if they sometimes choose to speak in faulty English when they could be more articulate in the native tongue. As long as they deliver the jokes and the laughter, I'm sure the viewers, particularly the young, wouldn't mind sharing their lunchtime hour with them. Otherwise, there's always another trio to share their lunch with, only two channels away.

Welcome to the Pinoy Nostalgia Discussion Group. Friendly debates should prevail in this group as we try to inform what is happening on the world of radio, television, movies, and the latest news around the Philippines and around the world.

Bawas-bawasan na lang ang mga nakaka-obvious na post, like the post of David Michael Lopez last night na ang English ng 'susunod na' ay 'coming up next', which is obvious naman. Kung ayaw ninyong matulad kina Jan Dominique Arceo at Archie Paredes, HUWAG MAGPOST NG MGA MASYADONG OBVIOUS NA TANONG AT MASYADONG OBVIOUS NA POST.

Bawas-bawasan na rin ang mga irrelevant topics, pati na rin ang change of topic.

In terms of programming schedule, dapat yung listings from Monday to Sunday ang ipopost, huwag yung exclusive lang for one day like Sunday.

Bawal po dito ang nude pics, pati porn pics.

Higit sa lahat, bawal po mag change ng topic.

  John Rodrigo Diaz Valdez Iba ang case ng 107.5. Noong naging Wish FM ang 107.5, tinalo na ng naturang himpilan ang KLite 103.5, na during that time ay umeere ng mostly
  90s at 2000s songs. So, mas patok ang 107.5 post-Win Radio kaysa sa post-Wow FM na 103.5 na nakailang reformat na from AC to CHR to Classic Hits (mostly 90s and 2000s) back to AC. In short, naghihingalo na ang KLite. Contributing factors ng pagbagsak ng KLite ay ang Easy Rock, Retro 105.9 DCG-FM at Wish FM. Dahil diyan, posibleng ibebenta ang 103.5 sa other players like Brigada kung tuloy pa rin ang format changes at low ratings sa nasabing himpilan.

Napag-usapan rin lang yung Coke at Pepsi, haaay... Nakakauhaw, ano ho!!!

Ano yung mga di nyo malilimutang TVC o ad ng softdrinks (kahit ano brand) through the years?

Ako... Yung time na under Cosmos pa yung Pop Cola, Cheers at Sarsi in the early 1990s, showing the Pinoy Pride, from the "Bilib Sa Pinoy" tagline ng Pop, even the young Banig endorsed Pop Cola before, to the "Buhay Bulilit" ng Cheers at yung favorite ko, yung sa Sarsi, yung makatindig-balahibong TVC nila then sinasabing "Mag-Sarsi ka para maiba!"

Pero liban sa mga programang yun, anu-anong mga naalala nyong "love advice radio program" sa RADYO through the years, AM o FM?

Isa ito sa mga American cartoon series na napaood sa ABS-CBN noong early 1990s tuwing Sabado bago mag-Eat Bulaga o 'Sang Linggo nAPO Sila, si MR. BOGUS!

Kaya naman ang mga bata (lalo na ng mga batang 1990s) ang bida sa TV pag Biyernes ng gabi, Sabado ng umaga o hapon o gabi at Linggo ng umaga!!!

Bukod kay Mr. Bogus, anong cartoon series, American o Japanese series ang inaabangan nyo noon? *smile emoticon*

What are some of the TV commercials for chicks, chickens, roosters, and fighting cocks that you still remember (past and present)?

For me, I still remember the 2010 TV commercial for Vetracin Gold, whose voice-over (VO) sounded like GMA's Mike Enriquez (I remember it being aired on IBC 13 during Tukaan and Hataw Pinoy on that year).

Its been 8 years since a transition happened to DWLS 97.1... From being a station close to campuses, schools and universities, this station came out and became close to the masses especially in the barrios!

Kaya noong February 14, 2007, alas-7 ng umaga, ang dating CAMPUS RADIO 97.1 WLS FM ay naging BARANGAY LS 97.1 FOREVER! Ngayon, kilala na ang station na yan ng Radio GMA sa tagline na TUGSTUGAN!!!

As a little tribute to Brgy. LS, sinu-sino ba ang mga DJ na kilala nyong KaBarangay at anong mga segment na tumatak sa mga Kapuso at KaBarangay?

Jeffrey G. Olila Sino ba ang DJ o DJs sa "Potpot and Friends"?

February 14 at 3:11am · Like · 1

- 

  Jeffrey G. Olila Isa pang trivia... Yung "Tugs tugs" na ginagamit ngayon ng LS sa tagline na "Tugstugan", ay unang ginamit ng Tambayan 101.9 sa segment na noon din ay nakilala bilang "Budots Budots", dati kasi yun tinawag na TUGS TUGS sa TAMBAYAN kasabay din ng kasikatan ng "tugs tugs" sa isang ice cream TVC... Siguro para malito ang listeners ng Tambayan at LS, e diniscontinue ng Tambayan that time ang pagggamit ng "Tugs tugs"...

TLC with Papa Jack.. yan ang naging advantage ng Love Radio kasi nakakapag simulcast sila ng mga program nila nationwide.. Na kelan lang din ginawa ng Baranggay FM Stations..

Sinara ito noong 2009, at lumipat ang kanilang pagawaan (para sa Timog-silangang Asya) sa Siyam. Yung kanilang opisina (para sa Pilipinas) naman, lumipat sa lungsod ng Taguig.

One of the portions of the old White Gold Superstore in the North Reclamation Area, Cebu City. The place burned down on March 19, 1997 at 7:30 AM, lasted for 4 hours. It left P100,000,000 worth of damage to properties and injured six people, among them a firefighter. Faulty electrical wiring was blamed as the cause of the fire, which was deemed as "arson." Today, the building is sadly abandoned, with weeds growing inside.

Aside from the usual teleseryes we see on national TV, can you remember some of the memorable regional dramas that were shown in the big 3's regional stations?

NOTE: CCTN 47 is also included in the list, along with other province-based TV networks.

My examples: Dear Tatay (CCTN 47 Cebu); Milyonaryong Mini (ABS-CBN 3 Cebu)

Tomorrow (Feb. 13) is 'World Radio Day', initiated by UNESCO as a part of their advocacy of using radio as a medium for mass media and social concerns. The theme of 'World Radio Day' is concerned about radio and youth, on how the youth should be a key role in promoting advocacies and changes in the society using radio as their medium.

According to recent researches, few radio stations in the Philippines were promoting youth power advocacies. Ano kaya ang mga istasyon ng radyo(both AM and FM) ang patuloy na nagbibigay-daan para sa boses ng pagbabago mula sa mga kabataan ngayon?

Let me start:

noong late 1990s to 2000, sangkaterbang "Fil-am" ang nagsisulpot para maglaro sa PBA at ang defunct na MBA... pero ilan lang pala sa kanila ang lehitimong Fil-am, ang iba ay kulang sa requirement, ang iba ay "peke" na kung tawagin ay "Fil-shams" kaya pinadeport!

sino ang naalala nyong Fil-foreign player na nakapaglaro na sa PBA o MBA, lehitimo man o hindi?

simulan ko... Vince Hizon (played for Purefoods and Ginebra kung saan sya mas nakilala in the PBA in the mid-90s, also played for Iloilo Megavoltz sa MBA in 1999-2000, returned to PBA in 2001 and played for Red Bull Thunder)

  Jake-jake Jacinto During its heyday, MOD Filipina was the "trendsetter." In the Cebu City Public Library, since 2011, I saw this magazine's old issues, which date back from June 1981 (at that time, it was published on a weekly basis, every Friday).

  BTW, I'll try my best to ask some of my neighbors for old issues of this ill-fated magazine, so I can post its covers and the ads it carried as a tribute to MOD Filipina. I used to collect issues of this magazine in April 2011, dating back from 1997 to 2000. Actually, they were given to me by our neighbor named "Mona," and of all the issues I collected, their March 24, 2000 issue was the most remarkable, because it coincided with my birthdate. Sadly, my former girlfriend threw these away in July 2012, for an unknown reason.

Legacy was merely renting the building before.

Pero around 2011 bumalik ang mga C/S programs sa Jack TV (though Chase/Jack City was later established), kaya nagkaleche-leche na ang naturang channel na dati'y puro comedy ang pinapalabas.

  The best case scenario would have been this:
  CT-comedy and entertainment programs from old Jack TV and TGC.

Look at our neighbors, kaya sila umuunlad is because of tight implementation of laws. Marcos' comtemporaries were also iron-fisted rulers that were deposed. Pero yung puamlit sa kanila, di nila niluwagan ang turnilyo di tulad ng isa dyan na "ina" daw ng demokrasya pero disgrasya naman.

At saka, yung mga ibang pagmamay-ari ng gobyerno like RPN and IBC, na-sequester ito. Kaya lugmok sa kahirapan ang bansa ngayon, tapos lahat ng mga bilihin (pati yung gasolina at MRT/LRT), tumaas bigla. And don't forget, buong angkan ng mga Aquino-Cojuangco-Lopez ay lahing Intsik (sasabihin ko, mga INTSIK yang mga yan).

MARCH 7, 1998

17 years ago nung inilunsad ang Metropolitan Basketball Association (MBA) sa Lingayen, Pangasinan, na pinangunahan nina Dating Pangulong Fidel V. Ramos at noo'y Pangalawang Pangulong Joseph Ejercito Estrada.

Sa unang season nito, 12 koponan ang lumahok na kumakatawan sa mga key cities o lalawigan sa bansa, 6 sa North (Luzon), ang Pangasinan Presidents/Waves, Pampanga Dragons/Stars, Manila Metrostars, Pasig-Rizal (Blue) Pirates, Laguna Lakers at Batangas Blades, habang 6 din sa South (Visayas at Mindanao), ang Iloilo Voltz/Megavoltz, Negros Slashers, Cebu Gems, Cagayan De Oro Nuggets/Amigos, Socsargen/Taguig Marlins, at Davao Eagles. sa mga sumunod na taon, nadagdagan sila ng iba pang koponan gaya ng San Juan Knights, Surigao Miners/Warriors, Nueva Ecija Patriots at noong 2002, ang Olongapo Volunteers.

Layon noon ng MBA na mas mapalapit ang larong baaketball sa masa sa pamamagitan ng paglalaro nito di lang sa Manila, kundi sa mga probinsya. ito rin ang naging mahigpit na karibal ng PBA dahil sa may mga beterano ng PBA na naglaro din sa MBA at nakilala rin ang MBA sa pagbuo ng mga bagong talento sa larangan ng basketball.

Unang nagtapat sa finals noon ding 1998 ang Pampanga Dragons at ang Negros Slashers, kung saan nagkampeon ang Dragons sa pangunguna nina Ato Agustin, Gherome Ejercito, Long David, Dave Bautista at Ato Morano. si John Ferriols naman ng Slashers ang kauna-unahang naging MVP ng MBA noong 1998, na sinundan nina Alex Compton (1999), Romel Adducul (2001), at Eddie Laure (2001).

Ilan din sa mga naiproduce na talento ng MBA na dinala rin sa PBA ay sina Willie Miller, Dondon Hontiveros, Reynel Hugnatan, Alex Crisano at marami pang iba.

ilan din sa mga rule ng basketball ang binago ng MBA gaya ng 23-second shotclock, ang "free three", and "blitz three" at marami pang iba.

for 4 seasons, naging kapartner ng MBA ang ABS-CBN sa pagkocover ng mga laro at paglago ng marketing nito, pero noong 2002, nagtapos ang kanilang partnership, hanggang noong July 26, 2002, nagsara ang MBA dahil sa kakulangan ng pondo. Huling nagkampeon sa MBA ang Negros Slashers.

Year 2009, Studio 23 reverted into full-English (with little Tagalog) language and dropped the "Kabarkada Mo" slogan, and unveiled into the new slogan, "Get It Here!".

Jeremy Domingo, the voice-over narrates S23 promos in English language (sometimes Tagalog due to local films in LBO and others) and ends with a line, "Get it here on Studio 23".

It was the fifth English slogan for S23, after the previous "Watch U Want" slogan in 2002 - 2004.

  Yung Astron, halos magkaparehas ang mga produkto nila sa Promac. Malaganap na appliances na ngayon ang Astron. Yung Promac naman, nasa karaoke, isteryo, at ispiker pa rin sila. #ThrowbackThursday

Sa panahon ngayon, uupo ka lang sa harap ng laptop o computer mo, isasaksak ang usb sa device mo, isang click mo lang, madodownload mo na gusto mong kanta...

pero alam mo ba kung ano ang uso noong kabataan pa nina Nanay, Tatay, Ate, Kuya Tito,Tita, at Pinsan pag may gusto silang kanta?! eto yun oh... swerte nyo lang po siguro kung di nyo sinama ung biglang-sabat na boses ng DJ between or within the songs, haha!!!

A rubber shoes brand, a video tape format and a cassette player? Nope!

Have you ever eaten Adidas, Betamax, or Walkman?

We are not talking about grilling shoes, video cassette tapes, and audio cassette players. We mean grilled street food.

REPOSTED from Dante Luzon's Facebook account:

"As we commemorate today the death of Pres. Magsaysay, maybe only few know or remember the sole survivor of that plane crash that took the President's life. He name is Nestor Mata, a reporter of the Phil. Herald who covered Magsaysay's visit to Cebu until the President's tragic death 58 years go today. This is his story.

"On March 16, 1957, President Magsaysay, accompanied by several government officials and journalists, flew to Cebu for a speaking engagement. Later that evening, the presidential party took off for the return flight to Manila. Their plane crashed in Mount Manung-gal in Cebu at around 1:16 a.m, March 17, 1957.

"Mata had been seated near the presidential compartment and was half-asleep at the time of the crash. He was initially rendered unconscious after the crash, and came to a few hours later. Mata later recounted:
'I found myself on the side of a steep cliff among dried bushes….'

"Agonizing with pain, I was completely at a loss what to do. About three meters away from me were parts of the plane. They were still burning. Meanwhile, I heard the distant howling of a dog. It was only then that I felt hopeful of being rescued. Thinking that there were probably people living not far away from where I lay moaning with pain, I made an effort to shout. I noticed that my voice echoed in the nearby mountains.

"After that, I began shouting, "Mr. President! Mr. President! Mr. President!" When no answer came, I shouted for Pablo Bautista, the reporter of the Liwayway magazine. "Pabling! Pabling!" Still no answer. It began to dawn on me that there was no other survivor except me."

Mata was rescued by Marcelino Nuya and several other farmers residing near the crash site. He suffered second and third degree burns all over his body and would be hospitalized for the next six months. It took eighteen hours to transport the injured Mata down the mountain. Upon his arrival at a Cebu City hospital, Mata was able to dictate through a nurse a press dispatch to his newspaper. It began with the sentence "President Magsaysay is dead."

Together with Vicente Villafranca, Mata penned One Came Back (1957), a memoir detailing the last moments of President Magsaysay and his own ordeal after surviving the plane crash."

Another rule shall be implemented, no "name calling".
Example, calling someone to an alias "Mr. Sunday", and similar acts.

Another initiative as part of tidying our group. Thanks!

isa sa mga classic movies na nirestore at niremaster ng ABS-CBN ngayon ay ang MAALAALA MO KAYA: The Movie na pinalabas noong 1994 bilang entry sa Manila Film Festival (not MMFF, ha) na pinagbidahan nina Aiko Melendez, Chin Chin Gutierrez, Richard Gomez, Ms. Caridad Sanchez at Karl Angelo Legaspi!

Pero alam nyo bang nasangkot ang pelikula na yan sa kontrobersya in that event in 1994 sa tinaguriang 1994 Manila Filmfest Fiasco?!

pinakatumatak dyan ay noong inaanunsyo ang Best Actress Award kung saan presentors sina Ms. Gretchen Barretto, Rocky Gutierrez at ang yumaong beauty queen na si Viveka Vavajee (please pakitama ang spelling)... nakahalata noon ni La Greta na may balak sabihin ang beauty queen, pero nung inannounce na ni La Greya ang mga katagang "The 1994 Manila Film.Festival Best Actress..." bago pa man nya sabihin kung sino ang nanalo, ay biglang sumabat si Viveka at sinigaw ang pangalang RUFFA GUTIERREZ (ng movie na Loretta) sabay palakpak at sabing "Take it, take it!" habang si binulsa naman ni Rocky ang sobre na naglalaman ng tunay na nanalo sa category na yun, which was AIKO MELENDEZ ng MMK The Movie!

tila nadaya din ang Best Actor category kung saan ang pangalan naman ni GABBY CONCEPCION (also from Loretta) ang inanunsyo nina Ruffa at Ms. Nanette Medved, na sa huli ay si EDU MANZANO (ng Ismael Zacarias) ang tunay na nanalo! diumano ay si Manay Lolit Solis ang

nagpasimuno sa isa sa mga pinagusapan at pinakakontrobersyal na isyu sa kasaysayan ng Philippine Showbiz Industry!

ano nga ba ang nangyari sa mga personalidad na nabanggit simula nung pumutok ang isyu na yun?

Let's talk about Soundstage Karaoke... ito'y parang Videoke Channel sa TV, 'di ba alam namin yon. Pati yung mga background pics habang tinugtog, (e.g. yung babaeng naka-checkered sa pic, babaeng nakasuot ng asul, tapos yung mga batang sumasayaw sa ulan (during Mula Sa Puso karaoke, You Made Me Live Again), yung mag-asawa na kulay blue ang background (during What Matters Most karaoke, Bakit nga ba Mahal Kita) at naalala ko yung nakasulat noon, yung Solid Video Corporation at yung pangalang "Danny" na nagumpisa sa awiting "Afraid For Love To Fade" (di ko alam kung anong telephone number ng SVC at si Danny sa Soundstage Karaoke). Anu ano pa ang mga meron dito sa Soundstage Karaoke sa TV noon?

#UsapangWillieRevillame #ThrowbackWowowee #WowowinGMA

Isa sa mga paborito kong segments sa Wowowee sa ABS-CBN ay ang "Willie of Fortune". As of one year later since Wowowee aired in 2005, anim na players ang pipili kanina para pasok sa next round. Ito po kung saan ang manunugtog ng piano na tinugtog ang bahagi ng kanta, at ang player na magsasagot ng tama ay makukuha ng 1 point, kundi, isa pang player ang mag-steal. Pag naka-2 points, pasok sa next round!

Kayo, sa mga nakanood noon ng Willie of Fortune sa Wowowee since 2005, anu-ano ang mga bida noon nito at sinu-sino ang mga players nito? (especially mga celebrity players pag-Sabado)

Today in History:

Inaalala natin ngayon ang 'Araw ng Kagitingan', kung saan naganap ang pagbagsak ng Bataan at ang marahas na 'Death March' ng mga sundalong Pilipino at Amerikano noong Ikalawang Digmaang Pandaigdig 73 taon na ang nakalilipas.

Malacañan Palace

Today is the 73rd anniversary of the Fall of Bataan. The Presidential Communications Development and Strategic Planning Office has published a special page on the Official Gazette of the Republic of the Philippines website:http://www.gov.ph/araw-ng-kagitingan/

Through the page, we hope to pay a modest tribute to the heroism of the veterans of World War II, and honor the depth of their sacrifice made in the name of their country and their countrymen. The page contains a brief background on the Araw ng Kagitingan as a national holiday, a comprehensive timeline of World War II in the Philippines, interactive maps that include the route of the Bataan Death March, and excerpts from selected memoirs of Filipino veterans who served during World War II, among many others.

Hello, guys. Do you remember me back then on PNDG?

It's great to be back after more than a year of unexpected departure.

I wanted my own independent thoughts from the force of other colleagues, that's why I departed. I have a clear blog to write on, particularly on free TV, where I am critical yet I am independent.

  Joseph Emmanuel Jacinto Actually, Cheers Orange Drink was launched in the early 1980's and it positioned itself as an imported yet more affordable alternative to Royal Tru-Orange and Mirinda, by showing American-looking cheerleaders in its TV commercial. Since then, it has changed to its aggressive "Bagong Tunog" campaign in 1991 repositioning Cheers, along with other Cosmos products, as proudly Filipino-made products.
